7TH ANNUAL CHANGING THE NARRATIVE GALA
Thursday, November 11, 2021
Rainbow Room, New York City
6 PM ET
ANNE MEREE CRAIG — 2021 BRADLEY W SNYDER CHANGING THE NARRATIVE AWARD RECIPIENT

Anne Meree Craig was born and raised in South Carolina. She attended Wofford College for undergraduate studies and Middlebury College for graduate school. Anne Meree had the great fortune of studying abroad twice and fell in love with languages, cultures, and literature. She quickly developed fluency in Spanish and then studied Portuguese having a knack for all things international. Anne Meree was working on a doctorate in romance languages when our country was attacked on 9/11.

Anne Meree moved to Washington, DC where she began working at the Department of Homeland Security on Infrastructure Protection and Information Analysis. It wasn't long before the White House moved her to the Department of Defense, where her career and ability to make things happen began to manifest. She worked special operations, counterterrorism, and foreign policy across the interagency until 2011. She assisted Wayne Downing with his SOF assessment, helped realize recommendations of the 9/11 Commission, built capacities around covert and clandestine capabilities, helped realize tribal engagements in Iraq, stood up the Intelligence Community’s Executive Committee...the list goes on. Most importantly, Anne Meree was known for bringing truth to conversation, calm to chaos, and sound decision making to principals around the table. She impressed by simply getting things done in a world filled with bureaucracy.

After leaving government, Anne Meree founded Maxemi LLC, a consulting business focused on relationship navigation, strategy development, and program support. She worked as the Director of Strategic Initiatives at Berico Technologies, the Chief Administrative Officer at McChrystal Group, and consulted for Deloitte, General Dynamics, as well as other businesses and family offices. Anne Meree served on boards to include Bunker Labs, Promote Leadership, Infragard, and Things We Read. She is currently an advisor for Instant Teams.

Since 2012, Anne Meree has poured her heart and soul into building The COMMIT Foundation, an organization that creates serendipity for high-performing veterans as they transition out of the service and find purpose both personally and professionally.

Anne Meree married Les Craig, an Army Special Operations Officer in between their deployments; they have three beautiful children and call Montana home. Anne Mere will never stop being passionate about being part of something bigger than she is, creating value and impact to make the world a better place.

With gratitude for Anne Meree’s incredible dedication to our Country’s service members, helping them find purpose and happiness, The COMMIT Foundation’s Board of Directors is honored to present Anne Meree with the Bradley W Snyder Changing the Narrative Award.

ABOUT THE COMMIT FOUNDATION

COMMIT’s mission is to help exceptional American service members and veterans transition into successful roles and careers post-service. Founded in 2012, COMMIT is committed to transitioning high-performing service members back into the fabric of our country in a purposeful and meaningful way. COMMIT creates serendipity for veterans through our personalized and high-touch programs. We believe our approach will make a massive impact in the transition space, the lives of our citizens, and our communities.

Changing the Narrative

Join The COMMIT Foundation on Veterans Day 2021 for a special evening in New York City honoring the men and women who have so valiantly worn our Nation’s uniform since the events of 9/11.

2021 COMMIT CAMPAIGN, TRANSFORMING THE TRANSITION SPACE

In 2021, COMMIT will continue to innovate our approach to transitioning our Nation’s service members and veterans, providing out of the box solutions using COMMIT’s high-tech, high touch, and high impact programming during this unprecedented time.

COMMIT is uniquely poised to provide quality programs at scale in large part due to our investment in developing robust online services to meet the needs of both the transitioning military community and the business community. COMMIT’s Corporate Education program also utilizes our digital platform to educate businesses on becoming veteran ready, to be better poised to attract, hire, and retain high performing transitioning service members and veterans. The combination of COMMIT’s unique ecosystem and digital platform provides our participants opportunities to connect with corporate America and local communities in meaningful ways.

Since the beginning of 2020, COMMIT has provided more than 2,300 services to more than 730 individuals. In 2021, supported by the Transforming the Transition Space Campaign, COMMIT will provide an even greater array of services to over 1,250 individuals.

Please support our Campaign and help COMMIT reinvest the 1% who defend our way of life back into the fabric of our great Nation. The COMMIT Foundation will use this year to build unique partnerships and produce the greatest collective impact in order to serve more service members, veterans, and their spouses than ever before. Join us in reinvesting top veteran talent and ensuring our service members and veterans are successful in securing meaningful employment, designing their life after military service, and pursuing their next chapter.

We are extremely grateful for your commitment to our cause.
